We have just received confirmation from the Ministry that our charter for 2013-2015 has been accepted. The schools charter provides a foundation of how our school plans to raise student achievement and progress. Electives

One afternoon per week can be allocated to any parents who wish to help the children learn new skills. New skills include a sport, cooking, knitting, crochet, weaving, science, mathematics, sewing craft, art, dance, drama, gardening, woodwork, building and mechanics. Please let us know if you have any skills that you would like to teach the children.

School Bus Behaviour and Safety

It has come to our attention that some of our children are behaving inappropriately on the bus. We have informed the children that their names will be placed in a book and after 3 incidents of bad behaviour we will be contacting parents. If this behaviour continues they will be taken off the bus. It is a privilege not a right so please talk to your children and explain what behaviour is expected to keep our students safe.

After School Information

Parents must advise the school if their child will not be going home on the bus. If the school has not been notified, students will go home on the bus as usual. NO student will be allowed to go home with another student unless the school has been notified. We need to know what is happening with your child to keep them safe at all times.

Junior Homework Books

Parents, please make sure that all your child(ren)'s homework books are returned every Monday morning. Thanks, Lynette.

Correct Uniform

Can parents please ensure your child(ren) are wearing the correct school uniform each day. This is a must especially if we have visitors to the school. Thanks! Also there is to be NO nail polish at the school.
